„ Andrei Nicolescu ” Cup

October 25-26, 2025
Otopeni Olympic Swimming Pool

In Memoriam

Everything started with a high performance athlete – Andrei Nicolescu- the Chairperson of Club Sportiv Aqua Sport Bucuresti, who believed that high performance is possible and, above all, necessary in Romania.

He fought with all his forces for his dream – to give access to as many children as possible to the benefits of swimming and to give Romania, in 2028, an Olympic champion at swimming.

We know that if he had had enough time, he would have kept his word. We are honoured and it is our responsibility to take his dream forward.
